

114TH CONGRESS
2D SESSION

H. R. 5594

AN ACT

To require the establishment of a national strategy for combating the financing of terrorism and related financial crimes, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “National Strategy for
3 Combating Terrorist, Underground, and Other Illicit Fi-
4 nancing Act”.

5 **SEC. 2. FINDINGS.**

6 The Congress finds the following:

7 (1) The financing of terrorism and related
8 forms of illicit finance present a direct threat to na-
9 tional security and a threat to global stability.

10 (2) New terrorist groups or threats can form
11 quickly, and other groups change tactics to adapt,
12 creating a constantly changing terrorist environ-
13 ment, presenting ever-changing risks and challenges
14 to programs to disrupt the financing of terrorism
15 and related forms of illicit finance.

16 (3) As demonstrated in hearings before the
17 Task Force to Investigate Terrorism Financing, ter-
18 rorists in some instances have formed symbiotic rela-
19 tionships with, or are taking over, transnational
20 crime syndicates, so that funding for both terrorism
21 and profits from crime flow in the same fashion and
22 often are indistinguishable.

23 (4) Methods of concealing the movement of il-
24 licit funding change quickly in a globalized economy,
25 and rapid technological changes and financial inno-
26 vation pose new risks that may be increasingly dif-

1 difficult for governments to stay abreast of without an
2 agile, constantly adjusted strategy to spot, disrupt,
3 and prevent the financing of terrorism and related
4 forms of illicit finance.

5 (5) A bipartisan requirement to create a na-
6 tional anti-money laundering strategy enacted in
7 1998 expired in 2007. Given the rapid globalization
8 and rapid technology changes of the financial sector,
9 an updated strategy focused on the financing of ter-
10 rorism is necessary.

11 (6) It is important for the Government to have
12 a unified strategy to fight financial crime and to up-
13 date it annually, both to accommodate new and de-
14 veloping threats and to help Congress develop legis-
15 lative and funding priorities.

16 (7) An effective strategy to counter terrorism
17 financing is a critical component of the broader
18 counter terrorism strategy of the United States.

19 **SEC. 3. DEVELOPMENT OF NATIONAL STRATEGY.**

20 (a) IN GENERAL.—The President, acting through the
21 Secretary of the Treasury (the “Secretary”) shall, in con-
22 sultation with the Attorney General, the Secretaries of
23 State, Defense, and Homeland Security, the Director of
24 National Intelligence and the appropriate Federal banking

1 agencies, develop a national strategy for combating the fi-
2 nancing of terrorism and related forms of illicit finance.

3 (b) TRANSMITTAL TO CONGRESS.—By June 1 each
4 year following the date of the enactment of this Act, the
5 President shall submit to the appropriate congressional
6 committees a national strategy developed in accordance
7 with subsection (a).

8 (c) EVALUATION OF EXISTING EFFORTS AND
9 BROADER STRATEGY.—The President shall accompany
10 each strategy submitted under subsection (b) with a report
11 that—

12 (1) describes the effectiveness of efforts to en-
13 force existing prohibitions against illicit finance;

14 (2) describes how the United States is address-
15 ing the highest levels of risk identified in the Na-
16 tional Money Laundering Risk Assessment and the
17 National Terrorist Financing Risk Assessment pub-
18 lished by the Department of the Treasury;

19 (3) evaluates the effectiveness of United States
20 efforts to fight illicit finance at actually preventing,
21 discovering, and countering terrorist financing and
22 other forms of illicit finance (and the effectiveness of
23 those efforts that the United States coordinates with
24 foreign nations); and

1 (4) describes how the strategy submitted under
2 subsection (b) is integrated into, and supports, the
3 broader counter terrorism strategy of the United
4 States.

5 (d) SEPARATE PRESENTATION OF CLASSIFIED MA-
6 TERIAL.—Any part of the national strategy that involves
7 information which is properly classified under criteria es-
8 tablished by the President shall be submitted to the Con-
9 gress separately in a classified annex and, if requested by
10 the chairman or ranking Member of one of the appropriate
11 congressional committees, as a briefing at an appropriate
12 level of security.

19 Federal departments and agencies and, as ap-
20 propriate and consistent with section 314 of the
21 USA PATRIOT Act, to financial institutions to
22 assist them in efforts to comply with laws
23 aimed at curbing illicit finance; and
